Dear _____

As a member of the _____ Community, I am urging you to reject Governor Cuomo's budget. His budget would cut Title xx funds to senior centers by \$25 million. If this happens, 105 senior centers in NYC will be forced to close. Over 7000 Older New Yorkers will lose their senior center. I don't want my senior center or any other senior center to close. My senior center keeps me healthy and active. I hope this cut is stopped and never comes back. I look forward to hearing from you.

Sincerely,
